State of Texas

DAN MORALES  
ATTORNEY GENERAL

May 28, 1998

Mr. William M. Toles  
Assistant City Attorney  
Criminal Law and Police Division  
Office of the City Attorney  
Municipal Building  
Dallas, Texas 75201

OR98-1316

Dear Mr. Toles:

You ask whether certain information is subject to required public disclosure under the Texas Open Records Act, chapter 552 of the Government Code. Your request was assigned ID# 115320.

The Dallas Police Department received a request for a specific vehicle impound report. You claim that the requested information is excepted from disclosure under section 552.108 of the Government Code.

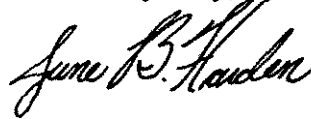

Pursuant to section 552.301(b), a governmental body is required to submit to this office (1) general written comments stating the reasons why the stated exceptions apply that would allow the information to be withheld, (2) a copy of the written request for information, and (3) a copy of the specific information requested or representative samples, labeled to indicate which exceptions apply to which parts of the documents.

Pursuant to section 552.303(c) of the Government Code, this office notified you by facsimile dated April 30, 1998, that you had failed to submit the information required by section 552.301(b), specifically a copy of the requested information. We requested that you provide this information to our office within seven days from the date of receiving the notice. The notice further stated that under section 552.303(e) failure to comply would result in the legal presumption that the information at issue was public. *See* Open Records Decision No. 497 (1988) (fact that submitting copies for review to Attorney General may be burdensome does not relieve a governmental body of the responsibility of doing so). As of the date of this letter, you have not provided our office with the information that was requested. Therefore, as provided by section 552.303(e), the information that is the subject

of this request is presumed to be public. In the absence of a demonstration that the information is confidential by law or that other compelling reasons exist as to why the information should not be made public, the requested information must be released. Open Records Decision No. 195 (1978). *See also* Gov't Code § 552.352 (the distribution of confidential information is a criminal offense).

We are resolving this matter with an informal letter ruling rather than with a published open records decision. This ruling is limited to the particular records at issue under the facts presented to us in this request and should not be relied on as a previous determination regarding any other records. If you have any questions regarding this ruling, please contact our office.

Yours very truly,
